

SASKATCHEWAN DART ASSOCIATION

M.A.P. GRANTS

Each fiscal year, the Saskatchewan Dart Association receives a specific amount of Membership Assistance program (MAP) grant money to be dispersed in its entirety to organizational events within our zones. Unused portions of this money is to be returned to SaskSport.

The SDA Executive will assist any or all events/tournaments (approximately \$250-\$500). If your event requires additional assistance in excess of \$500, please indicate so on your application (SaskSport Spending Plan).

Spending plans must be received before the Annual General Meeting held each September. The SDA executive will allocate the M.A.P. Grant monies based on requests received for the upcoming year. Payment will be processed after follow-up reports have been received.

Any questions pertaining to M.A.P. grants should be directed to the appropriate SDA executive member.

CRITERIA

1. Applying association must be a zone or affiliated league within the Saskatchewan Dart Association. Requests can be for adult and/or youth events.
2. Funds may be used for tournaments, exhibitions and inter-zone challenges.
3. Funds may not be used for purchase of equipment such as dartboards or portboards.
4. Funds may not be used for the purchase of alcohol or fund-raising, (i.e. the event must be budgeted to break-even).
5. The applying association is encouraged to be responsible for (at least) 50% of the cost of the event.
6. The applying association must submit a detailed proposal, including the date of the event, estimated source of funds, and the estimated total cost of the event.
7. Upon completion of the event, copies of receipts for ALL event expenditures must be submitted, along with a brief report on the event (number of people involved, actual cost).
8. The SDA Executive will review all applications and decide which events will be funded, and how much will be allotted. Major deciding factors will be type of event and how many members are involved.
9. Please try to keep your requests reasonable as we have only a limited amount of funds for the upcoming year and we may not be able to fund all requests.
