MAXIMUM EXPOSURE

The SDA tournament director will keep track of all 180s and 171s that SDA members throw in SDA-ranked tournaments (as provided in each tournament report) and provincials. This information will be posted under “*Maximum Exposure*” on the SDA website.

At the end of each calendar year, a prize will be given to the top man and top woman with the highest number of 180s and 171s thrown.

In the case of a tie, a prize will be given to all with the highest score.

The prize will be presented at an SDA-ranked tournament at the beginning of the new year.
